Your Community Grown GROCERY STORE

The **Cedar Falls Food Co-op** is community-owned. That means your friends, family, neighbors and co-workers own it, and **YOU can too!**

Members from 8 counties in northeast Iowa are working hard to open a full service grocery store in or near downtown Cedar Falls that will be open to the public, and that will focus on **LOCAL, ORGANIC** and **SUSTAINABLE** foods and products.

Advantages of a Co-op

- **Co-ops support the local economy.** The average co-op purchases from 51 local farms and 106 local producers.
- **Co-ops give back.** Three times as much profit is donated back to local charities compared to conventional grocers.
- **Co-ops are community hubs.** Co-ops are vibrant centers of healthy food, education, and more in which the community takes pride.
